X-RAY EXAMINATION

70

City Light – Alamarie (Acclamation)

Bay filly (DEN), 11 February 2025
Consigned by Berner Olsen

This yearling has been X-rayed.

The consignor has reported that X-ray examinations have been carried out. The radiographic report is not published in the online catalogue. Prospective buyers who wish to have the X-rays assessed are welcome to contact the consignor, who will make the material available to the buyer's own veterinarian.

> *Conditions of Sale, §19: "Information about any X-ray examinations on the presented yearlings is encouraged to be posted on the auction holder's official website (yearlingsale.dk) and/or displayed on the affected yearling's box door."*
